Prayer

14. Place of Prayer

Genesis 19:27 "And Abraham gat up early in the morning to the place where he stood before the LORD:"

Meaning: Notice the three words in our text: "to the place." Abraham had a particular place he met with God. When we make an appointment to see someone, we set a place to meet. When Jesus met with God, the Bible says He "departed into a solitary place, and there prayed" (Mark 1:35). We should find a place to meet with God where it will be just us and Him.

Application: Though we should pray throughout the day when there are people all around, there needs to be a time and place when there are no distractions for us to talk to God. That place could be in a room, a park, a church, or even in an automobile. It is as important that it always be the same place, as much as it is that it be someplace everyday. Find a place to meet with God alone each day, and be there.
